Portion stuffing mix evenly and place in the center of each roll.
Roll turkey breast up halfway. Using 2 pieces of bacon, seal each side. Using the bottom layer of bacon, wrap over the rolled half and continue to roll to the end. Wrap the caul fat around to totally encase the breast and hold it in one piece.
In roasting pan coated with oil, sear both roulades until browned. Remove from pan. Add 3 T of fat and cook garlic and vegetables until caramelized. Place roulades on top of vegetables and add 4 cups stock to the pan. Place in 350° F oven and bake until internal temperature reaches 165° F (approximately 25 minutes). Remove the roulades, set aside and keep warm.
