Wild Blueberry Flapjack Cake
Sysco Imperial Wild Blueberry Flapjack Cake combines the all-day appeal of breakfast with innovative indulgence. Thick, buttery cake layers inspired by flapjacks are baked with Wild Maine Blueberries and stacked in layers on top of smooth maple cream for a delectable three-tiered, pre-sliced cake. It's the ideal dessert for both traditional after-dinner offerings or as a sweet part of your lunch and brunch time menus. Capitalize on trending ingredients like wild blueberries and maple to meet consumer demand for breakfast-inspired fresh flavors.

**Features and Benefits**

- "Wild foods," such as Wild Maine Blueberries, appeal to consumer preferences; 65% of consumers say they would pay more for items that use "wild foods."
- Frozen thaw-and-serve desserts provide operators with labor savings and product consistency.
- Pre-portioned into 12 slices allowing operators to thaw just the right amount for service and minimize loss.
- By leveraging the popularity of comforting and familiar breakfast flavors, operators can boost sales throughout all dayparts – breakfast, brunch, lunch and dinner.
- Maple is one of the fastest growing flavors across the dessert category.
