

## Cutlery

Made from a blend of materials including starch and non-GMO corn, the natural look and feel of this cutlery reduces plastic usage while still maintaining a secure and sturdy utensil for carryout and delivery applications.

## Protecting the Earth, Plus delivering value.

Rooted in the 4 Rs (Reduce, Reuse, Recycle, and Renew), Earth Plus delivers affordable, eco-friendly solutions that are good for both your business and the planet. Including disposables, supplies & equipment, and chemicals, these everyday essentials help your operation run smoothly and responsibly.

# Plastic Cutlery
