Uber Eats

Company Description:

Uber Eats is an on-demand food delivery app and website that helps bring millions of people around the world the food they want, at the tap of a button.

Value:

The demand for delivery is skyrocketing, and the industry is changing fast. Uber Eats is helping 600,000+ restaurants get their food to more hungry customers using the Uber platform.

Advantage:

Uber Eats' global average delivery time of delivery people using the Uber platform is under 30 minutes. Speed and convenience matters when customerers are hungry, and Uber Eats is able to get food to them quickly by connecting your restaurant with our large network of of delivery partners on the road.

Product Offering:

Uber Eats offers three ways for restaurants to serve customers: Customer Pick Up, Uber Delivery, and Use Your Own Delivery Staff. Choose the option(s) that best suits your business!
