

# Sanitizer Hand Gel

SUPC	Pack/Size	Brand	Description
7129958	6/32 oz	Packer	Sanitizer Hand Gel

## Features and Benefits

- This ethanol-based topical gel solution is an FDA approved formula, which contains 70% alcohol.
- Use this product when soap and water are not available to reduce disease causing bacteria.
- Bottles come complete with a convenient pump to make dispensing quick and easy.
- No artificial dyes added, making it safer for those with allergies.
- Made with denatured alcohol to deter accidental ingestion by children.

The convenient pump dispenser can be used with the [Shield Pedal Activated Hand Sanitizer Dispenser](#) Stand or placed on a counter for easy dispensing.
