The **Sysco iCare program** is designed to make you more efficient, increase your profits, and make it easier for you to manage your operations. We help you drive business in the front and back of house with our holistic collection of offerings, encompassing our specialized services, restaurant technology, tools, partnerships, and personalized consultation. We have partnered with best-in-class companies to make sure you have the right tools to optimize your business and increase traffic.

ORDEREZE

Orderze is the only company of its kind, providing restaurants with a cost-effective and easy solution to manage their entire online presence. We are also truly a company that is by restaurants for restaurants. Our founder is a restaurant owner himself and went through the struggles of trying to find a marketing company that understood him as a restaurant owner and how to successfully market a restaurant. He started Orderze almost 15 years ago with the goal of providing everything restaurants need to have a successful online presence in one place at the most cost-effective price. We are well known for our customer service - in fact, we have the lowest churn rate in the industry and the typical lifetime of our customer is over 6 years - over 85% of our staff overall has worked in the food service industry as well!

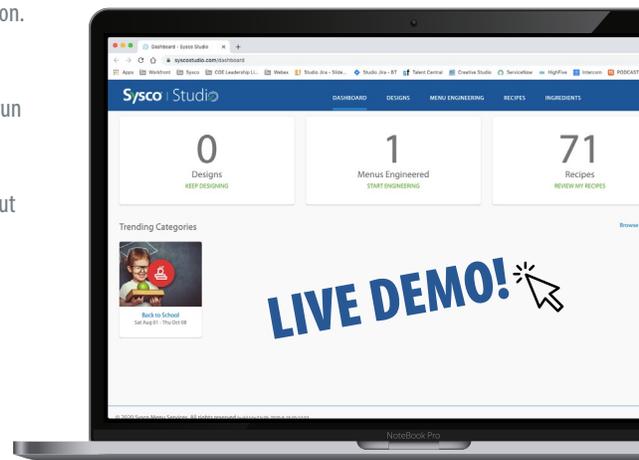

LOYALZOO

Grow your business today with the easiest digital loyalty solution. With Loyalzoo, create and run your own loyalty program in less than a few minutes, and engage customers through points notifications and promotions delivered by SMS, email or push notification. Customers do not need to use an app to participate, they can simply sign up with phone number or email. Merchants who run their loyalty program with Loyalzoo grow revenues by 13% on average, by simply increasing customer retention, and without reducing margins. You do not need to be a tech expert, it is headache-free with no training required.

SYSCO STUDIO TRAINING

Overview of our Sysco | Studio tool with tips and tricks including menu analysis, engineering, design, and overview of additional marketing materials available.
